If Park District has not been included as an insured under the CGL using ISO additional insured endorsement CG 20 26 under the Commercial General and Umbrella Liability Insurance required in this Contract, the Licensee waives all rights against Park District and its officers, officials, employees, volunteers and agents for recovery of damages arising out of or incident to the Licensee's use of the premises.

Failure of Park District to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of Park District to identify a deficiency from evidence that is provided shall not be construed as a waiver of Licensee's obligation to maintain such insurance.

Park District shall have the right, but not the obligation, of prohibiting from occupying the premises until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by Park District.

Failure to maintain the required insurance may result in termination of this use agreement at Park District's option.

b. Acceptability of Insurers

For insurance companies which obtain a rating from A.M. Best, that rating should be no less than A VII using the most recent edition of the A.M. Best's Key Rating Guide. If the Best's rating is less than A VII or a Best's rating is not obtained, the Park District has the right to reject insurance written by an insurer it deems unacceptable.

c. Cross-Liability Coverage

d. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to the Park District. At the option of the Park District, the Licensee may be asked to eliminate such deductibles or self-insured retentions as respects the Park District, its officers, officials, employees, volunteers and agents or required to procure a bond guaranteeing payment of losses and other related costs including but not limited to investigations, claim administration and defense expenses.
