#### RULES FOR PUBLIC COMMENT

1. Any individual wishing to make a public comment at a meeting of the City Council and its subsidiary committees shall state and spell their name for recordation in the minutes. Public commenters are encouraged, but not required to, provide their home or business address.
2. Each public commenter shall be limited in providing public comment to three (3) minutes, unless the time is extended by the Mayor or other presiding officer. Public commenters may submit written comments in lieu of verbal comments, or to supplement their public comment. Written comments so submitted shall not be required to be a part of the minutes of the meeting, unless the Mayor or presiding officer so directs, and are not required to be read aloud.
3. Because public business is to be conducted at meetings, the total time for public comment shall be limited to thirty (30) minutes at each meeting, unless extended by the Mayor or other presiding officer. For such purpose, groups of public commenters on the same subject may select a representative to comment for the group so as to avoid repetition.
4. Public comment may be related to any subject and is not limited to those items on the agenda.
5. Public comment shall be made in a civil and courteous manner, and shall not include vulgar, hostile, threatening or disruptive language.
6. Members of the City Council and its subsidiary committees are not required to answer questions or to otherwise respond to public comments. Questions may be taken under advisement and may be referred to the appropriate Staff member for response outside the Meeting.
7. Public comment is permitted to commence upon direction of the Mayor or other presiding officer. The Mayor or other presiding officer may, but is not required to, allow public comment during the discussion of specific topics on the meeting agenda. Verbal public comments may not be provided outside the time set aside for public comment or as otherwise permitted by the Mayor or presiding officer, as such comments are disruptive to the orderly conduct of public business.
8. A public commenter is subject to removal from the public meeting upon failure to abide by these Rules for Public Comment.
