The committee discussed the Sounds of Summer and suggested that the stage be moved to the center of the field to allow for more people to utilize the field.

The committee discussed Prairie Fest and the cost per keg compared with the cost from 2019. Janelle is to get additional information from Brad. Janelle is also to get cup sizing and pricing from the vendor. Janelle is to confirm the size of Truly/White Claw. The committee informed Janelle that the Summer Shandy option is required.

The committee discussed the beer tent and scheduling of volunteers. Suggested to start the scheduling at 2:30 p.m. And stop the sale of tickets and beer 30 minutes before closing. Janelle is to order additional signage for the tents reflecting this information.
