RE: Backflow Assembly Test OVERDUE - Name - Address - Wood Dale, IL 60191

Dear Water Customer,

Several weeks ago, you were notified that the backflow assembly(s) at the property listed above was due to be tested per State of Illinois regulations by **May 9, 2023**. Annual backflow testing is vital in ensuring the safety of our water resources. As of today, we have not received the required certification, which means you are now **OVERDUE**.
Original Testing Due Date

Device information and location.

Size	Manufacturer	Model	Serial Number	Hazard	Location
4"	Wilkins	350DA	N01200	Fire Protection	Warehouse, Front
3/4"	Wilkins	950	759659	Fire Bypass	Warehouse, Front

You are responsible for hiring a licensed backflow tester to perform the annual test and certification of the backflow assembly(s) listed above (BSI does not test backflow assemblies). The results from your backflow test must be submitted by your testing company within **15 DAYS from the date of this letter**. If the report is not completed within 15 days, the City reserves the right to turn off your water. If the water is turned off, a \$75 turn-on fee will be required to be paid upon receipt of the backflow report. Please provide the CCN listed in the top right corner of this letter to your backflow tester, as they will need this number to properly file your backflow test reports via BSI Online. Please visit www.bsonline.com and use the CCN listed above to check on your test report status or to find a list of local backflow testers. please contact BSI via e-mail (support@backflow.com) or phone (888-966-6050) if you have any questions. Thank you for your cooperation and for helping to protect our water resources. **Outcomes of not having the device tested.**

Sincerely,

Christine Walsh, Vice President
BSI / Agent for the City of Wood Dale

Signed by Christine Walsh on behalf of the City of Wood Dale .

For your convenience, your last testing company of record (if available) is listed below:
Plumbing Company (847) 000-0000

Company that previously performed backflow testing.
