

Senior/Disabled Grass Cutting

QUALIFIED DISCOUNT PROGRAM

SENIOR/DISABLED GRASS CUTTING

The City of Wood Dale has initiated a Senior/Disabled Grass Cutting Program with the purpose of assisting those who need grass cutting services and do not have the means of completing it on their own. The program will be limited based on available funds and will be on a first come first serve basis.

ABOUT THE PROGRAM

The City has obtained a private contractor to fulfill the grass cutting services specified in this program. The City will subsidize the cost per visit price of approximately \$15. Residents must be at least 65 years of age or disabled, and have a household income of less than \$65,000.

Services will begin on or about the middle of April and will continue to mid-November. Grass cutting will occur on a weekly basis unless conditions warrant an extension of time between visits at the City's discretion.

This service DOES NOT include fertilizing, trimming of bushes, trees or other plants, watering or pulling of weeds.

SERVICES INCLUDE

- Spring Cleanup. This will include a standard spring cleanup of leaves, twigs, branches, debris, etc. that has accumulated on the property over the winter months. The contractor will be responsible to blow debris away from the house, out of landscaping beds, and remove from the property
- Cutting of grass. This will include standard lawn mowing of the property, regardless of size. The contractor shall utilize grass clipping collecting mowers and haul off all debris
- Edging of hardscape. This will include edging/weed whipping along any hardscape including but not limited to sidewalk, driveway, patio, etc. This does not include edging of landscaping beds, tree mulch rings, or other soft scape features
- Fall cleanup. This service will include a standard fall cleanup of leaves, twigs, branches, etc. that have accumulated on the property over the summer/fall months. The contractor will be responsible to blow debris away from the house, out of landscaping beds, and remove from the property. This will be done after grass cutting is complete and scheduled with the Public Works Department. It is anticipated that this work will be completed during the first two weeks of November.

TO PARTICIPATE

Complete the application by scanning the QR Code and return to the City of Wood Dale Public Works Department located at 790 N Central Ave, Wood Dale, IL on or before April 1. Residents will need to provide most recent tax bill or social security statement to verify income. Applications will be accepted on first come-first serve basis until available budget is met. For questions, call 630-350-3530.
