

**CITY OF WOOD DALE
HOME GENERATOR AGREEMENT**

THIS AGREEMENT is made between the CITY OF WOOD DALE, (hereinafter "City") and _____ of _____, Wood Dale, Illinois property owner(s) (hereinafter "Owner(s)").

1. The Owner(s) agrees to purchase a home generator for emergency use at the above address in the event of power outages caused by weather, flooding or other problems. Upon presentation of an original receipt, the serial number and the UPC symbol for the unit to the Finance Department for the purchase of a home generator for the Wood Dale property stated above, the City agrees to reimburse the Owner(s) by check as follows (check type of generator to be purchased):
 a. Portable Generator: 50% of the cost of the generator not to exceed two hundred and fifty dollars (\$250.00).
 b. Permanently Installed Generator: four hundred dollars (\$400.00) and permit fees will be refunded upon approval of the installation.
2. This program applies to owners of single family, townhome, two-flat, and three-flat homes. There is a maximum of one reimbursement per household.
3. The Owner(s) agrees to be subject to and allow a random compliance check to establish that the generator is at the above property address for use at that address.
