Re: Proposed additional parking construction along north parkway WB Oak Meadows Dr., east of S. Edgewood Ave.

Dear Mr. Lange:

As requested, Benchmark Construction provides the following proposal to complete the work for the additional parking spots in the north parkway along Oak Meadow Drive and generally depicted on the plan sheet prepared by Robinson Engineering for Project 16-R0559. The scope of work includes excavation, placement of embankment, 12" aggregate base, 3" HMA, pavement markings and lawn restoration associated with the approximately 10' x 150' pavement widening. We have included flaggers to maintain traffic during construction, but any tree clearing will be by others. All excess spoils will remain on site. The cost for this work is a lump sum of \$45,000.

We appreciate the opportunity to present this proposal and let me know if you have any questions.

Sincerely,

Benchmark Construction Company, Inc.
