**RESOLUTION NO. R-22-11**

**A RESOLUTION ACCEPTING THE FISCAL YEAR 2021 ANNUAL AUDIT  
REPORT FROM SIKICH, LLP.**

**WHEREAS**, the City of Wood Dale ("City") is a body politic and corporate, organized and existing pursuant to the Illinois Municipal Code, 65 ILCS 5/1-1-1 *et seq.*; and

**WHEREAS**, the City is authorized and empowered, under the Illinois Municipal Code, to enter into agreements for financial auditing services; and

**WHEREAS**, the City entered into an agreement with Sikich, LLP., a financial services company, to provide an audit of City funds for Fiscal Year 2021; and

**WHEREAS**, Sikich, LLP., has performed an audit of the City's funds and found that the City is in compliance with all generally accepted municipal accounting and auditing principles, the Audit Report is attached hereto and incorporated herein as Exhibit "A"; and

**WHEREAS**, the City Council of the City of Wood Dale hereby finds that it is in the best interests of the City to accept the Audit Report prepared by Sikich, LLP.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WOOD DALE, DUPAGE COUNTY, ILLINOIS**, duly convened in regular session, as follows:

**SECTION 1:** The recitals set forth above are incorporated herein and made a part hereof.

**SECTION 2:** The Mayor and the City Council hereby accepts and places on file, the Audit Report prepared by Sikich, LLP, for the City's, Fiscal Year 2021, attached hereto and incorporated herein by reference as Exhibit "A."

**SECTION 3:** That all ordinances and resolutions, or parts thereof in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed.

**SECTION 4:** That this Resolution shall be in full force and effect from and after its adoption and approval.

PASSED this 17<sup>th</sup> day of February, 2022.

For its Comprehensive Annual  
Financial Report  
For the Fiscal Year Ended

April 30, 2020

*Christopher P. Morill*

Executive Director/CEO

January 28, 2022

Honorable Mayor  
Members of the City Council  
Citizens of the City of Wood Dale

Ladies and Gentlemen:

Illinois Compiled Statutes require that all municipalities annually publish a complete set of financial statements presented in conformity with generally accepted accounting principles and audited in accordance with Generally Accepted Auditing Standards by a firm of licensed certified public accountants. Pursuant to that requirement, we hereby submit the Annual Comprehensive Financial Report of the City of Wood Dale, Illinois for the year ended April 30, 2021. This report consists of management's representations concerning the finances of the City of Wood Dale. Consequently, management assumes full responsibility for the completeness and reliability of all of the information presented in this report.

Management of the City of Wood Dale has established a comprehensive internal control framework that is designed to compile sufficient reliable information for the preparation of the City of Wood Dale's financial statements in conformity with Generally Accepted Accounting Principles. Further details can be found in Section 1 of the Notes to Financial Statements beginning on page 17 of the report. Because the cost of internal controls should not outweigh their benefits, the City of Wood Dale's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement.

As part of management's responsibility for the statements and report, we have prepared the Management's Discussion and Analysis, which follows the auditor's report and is before the basic financial statements.

The City of Wood Dale's financial statements have been audited by Sikich LLP, a firm of licensed certified public accountants. The independent auditor concluded that the City of Wood Dale's financial statements for the fiscal year ended April 30, 2021 are fairly presented in conformity with generally accepted accounting principles. The independent auditor's report is presented as the first component of the financial section of this report.

Generally accepted accounting principles require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis. This letter of transmittal is designed to complement Management's Discussion and Analysis and should be read in conjunction with it. The City of Wood Dale's Management Discussion and Analysis can be found immediately following the report of the independent auditor.

## **Profile of the Government**

The City of Wood Dale, incorporated in 1928, is located two miles west of Chicago's O'Hare International Airport, and is less than twenty miles west/northwest of the City of Chicago. Wood Dale encompasses an area of almost 4.7 square miles and serves a population of 13,770 residents. The City of Wood Dale is empowered to levy a property tax on real properties located within its boundaries. It is also empowered, by state statute, to extend its corporate limits by annexation, when deemed appropriate by the City Council.

The City of Wood Dale operates under the council-manager form of government. Policy-making and legislative authority are vested in the City Council consisting of the mayor and eight members.

The City Council is responsible for passing ordinances, adopting the annual budget, serving on standing committees and hiring the City Manager and the City Attorney. The City Manager is responsible for carrying out the policies and ordinances of the City Council, for overseeing the day-to-day operations of the government, and for appointing the heads of the various departments.

The City Council is elected on a nonpartisan basis, with two members from each of the City's four wards. Council members serve four-year, staggered terms, with four council members elected every two years. The mayor is elected at large to serve a four-year term.

The City of Wood Dale provides a full range of services, including police protection, the construction and maintenance of infrastructure, community development and special events. The City also operates a commuter parking lot and a water and sewer utility.

The annual budget serves as the foundation for the City of Wood Dale's financial planning and control. The Council is required to adopt a final budget and appropriation ordinance by no later than the close of the fiscal year. The budget is prepared by fund and department. Department heads may make budget transfers within their departments, and the City Manager may make budget transfers between departments. Any revisions that alter the total expenditures of any fund require special approval of the City Council.

## **Local Economy**

Wood Dale is a mature community located in the O'Hare Industrial corridor of the Chicago metropolitan area, with limited land for new development. Equalized assessed valuation, (EAV) of real property at the end of the fiscal year totaled \$613,775,044, a decrease of 7.07% over the past decade. However, this valuation is an increase of 3.74% over the previous year. This continues a trend of increases with each of the past 7 years showing increase in EAV. At a rate of 33.3% of market value, the equalized assessed valuation translates into \$1.84 billion of investment in the community.

Approximately 800 businesses operate in the City, many located in the industrial and business parks in the north part of Wood Dale. Despite a respectable return in sales tax revenue after a steady decline over the past four years, the City is still actively seeking methods to attract and retain retailers, primarily focusing on locations in or near the "town center." Redevelopment of this area will occur in tandem with the improvements contemplated for the Irving Park, Wood Dale Road and Metra intersection. Construction on the Elgin-O'Hare Expressway (IL-390) has been completed through Wood Dale, and the City is doing all that it can to position itself to take advantage of this project now and into the future.

Permits for residential construction decreased by 2 (29 to 27) for calendar year 2020 when compared to calendar year 2019. In addition to the decrease in residential permits, Commercial permits decreased by 12, (40 down to 28) in 2020 versus 2019. Other permits (fence, roof, windows, etc.) were up by 88 (692 to 780) in 2020 compared to 2019. Despite the decreases in the residential and commercial permits, the value of the permits in 2020 was the second highest that the City has recorded at over \$58 million, just off the record of \$59 million in 2019.

There is a 250-unit development that is in the works, and construction is anticipated to begin late fall 2022 or early spring 2023. Also, the final buildout of a subdivisions is moving along at a slow but steady pace. These projects, along with the increased interest along the IL-390 corridor will undoubtedly drive these numbers higher in future years.

### **Long-Term Financial Planning**

The City of Wood Dale is dedicated to long-term financial planning and prepares and updates detailed operational and capital budgets annually. Multi-year projections of revenues and expenses are utilized when appropriate so that the City can be proactive in areas identified as potential problems.

Due to the property tax cap and the City's increasing reliance on sales taxes, the City Council will continue to consider various opportunities to increase the sales taxes collected, including strategies to attract and retain retail businesses and alternative financing strategies including special service area and tax increment financing.

A referendum question was placed on the November 6, 2006 ballot to increase the sales tax for non-home rule communities to 1% in Wood Dale. The referendum was successful, and the sales tax was imposed beginning July 1, 2007. This increase is used only for the construction, purchase, or maintenance of capital assets.

The City's other long-term infrastructure needs have been identified through a street-sufficiency study and updating of the City's 5-year Capital Improvement Plan (CIP). The City passed the Non-Home Rule Sales Tax referenced above and recently increased the water and sewer rates to raise enough capital to maintain the infrastructure on a pay-as-you-go basis, to avoid the need for issuing debt.

The City Council and staff also participate in an ongoing, strategic planning process that allows for the development of long-range objectives and implementation strategies. This strategic plan, coupled with the capital and operating budgets ensures that the City identifies, prioritizes, and addresses areas of concern in a comprehensive fashion.

### **Major Initiatives**

The City has been involved in a variety of projects throughout the fiscal year. These projects reflect the City's commitment to maintaining and enhancing the environment for all citizens. The most significant projects are listed below:

- Continued the implementation of the study on City-wide flooding issues, beginning with studies of the worst areas via a Stormwater Master Plan. These areas will continue be programmed into future CIP projects.
- Obtained a \$6 million IEPA low-interest loan for the construction of the next phase of a new stormwater facility within Wards 2 & 3 as part of a larger, regional stormwater mitigation project.

- Continued to expand the use of beet juice and other salt brine mixes to aid in snow removal operations in an effort to lower our overall salt usage.
- Receiving the GFOA Popular Annual Financial Reporting Award for the tenth time.
- Receiving the GFOA Distinguished Budget Presentation Award for the twelfth time.
- Continuing replacing the ORION water meters with "ME" style water meters continuing to provide greater accountability for the water system.
- Continued implementation of a new document retention program, allowing greater access to historical documents.
- Continued to revise and update all economic development materials to promote economic and business growth within the City.
- Was designated as a "Tree City" for the 16<sup>th</sup> year in a row.

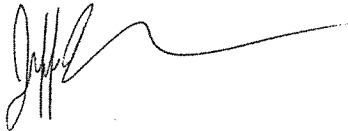

#### **Awards and Acknowledgements**

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Wood Dale for its comprehensive annual financial report for the fiscal year ended April 30, 2020. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

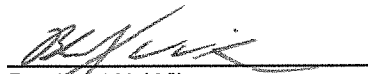

Preparation of this report could not have been accomplished without the efficient and dedicated service of the entire staff of the Finance Department, and the assistance of the staff of the other operating departments of the City. Credit must also be given to the Mayor and City Council for their unfailing support in maintaining the highest standards of professionalism in the management of the City of Wood Dale's finances.

Respectfully submitted,

---

Jeffrey R. Mermuys  
City Manager

## **INDEPENDENT AUDITOR'S REPORT**

The Honorable Mayor  
Members of the City Council  
City of Wood Dale, Illinois

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Wood Dale, Illinois (the City) as of and for the year ended April 30, 2021, and the related notes to financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Wood Dale, Illinois, as of April 30, 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the required supplementary information listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, combining and individual fund financial statements and schedules, other supplemental information, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual fund financial statements and schedules and other supplemental information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements.

Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules and other supplemental information are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Governmental Auditing Standards*, we have also issued our report dated January 28, 2022, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Governmental Auditing Standards* in considering the City's internal control over financial reporting and compliance.

*Sikich LLP*

**GENERAL PURPOSE EXTERNAL  
FINANCIAL STATEMENTS**

**City of Wood Dale, Illinois**  
**Management's Discussion and Analysis**  
**April 30, 2021**

---

The City of Wood Dale management's discussion and analysis is designed to assist the reader in analyzing and understanding the City's financial activities for the fiscal year ended April 30, 2021. It should be read in conjunction with the Letter of Transmittal on pages iv through viii and the financial statements, which begin on page 4.

### **Overview of the Financial Statements**

The City's basic financial statements consist of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. The basic financial statements present two different perspectives that allow the reader a broader basis of comparison in assessing the City's financial condition. This report also contains other supplementary information in addition to the basic financial statements themselves.

### **Government-Wide Financial Statements**

The government-wide financial statements are designed to provide a broad overview of the City's finances, in a format similar to that found in the financial statements of a private-sector business. They provide both long and short-term information about the City, taken as a whole.

The statements are divided into two categories: 1) governmental activities and 2) business-type activities. The governmental activities include the City of Wood Dale's basic services of public safety, public works, and general administration. The business-type activities include the water & sewer operations, refuse disposal, and the commuter parking lot.

There are two statements presented for each of these activities. The first is the **Statement of Net Position**, which presents all of the City's assets and deferred outflows of resources and liabilities and deferred inflows of resources with the difference between the two being reported as net position. Over time, increases and decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The second statement is the **Statement of Activities**, which reports how the City's net position changed during the current fiscal year. All current year revenues and expenses are included regardless of the timing of the related cash flows. Thus, revenue and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements can be found on pages 4 through 6 of this report.

### **Fund Financial Statements**

A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The City of Wood Dale, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds. Major funds are reported separately while all others are combined into a single, aggregated presentation. Individual fund data for nonmajor funds is provided in the form of combining schedules later in this report.

**City of Wood Dale, Illinois**  
**Management's Discussion and Analysis**  
**April 30, 2021**

---

**Governmental Funds**

Governmental funds are reported in the fund financial statements and encompass essentially the same functions reported as governmental activities in the government-wide financial statements. However, the focus is very different with fund statements, providing a distinctive view of the City's governmental funds. These statements report short-term fiscal accountability focusing on the use of spendable resources and balances of spendable resources available at the end of the year. They are useful in evaluating annual financing requirements of governmental programs and the commitment of spendable resources in the near term.

Since the government-wide focus includes the long-term view, comparisons between these two perspectives may provide insight into the long-term impact of short-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City maintains ten individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures and changes in fund balance for the General Fund and the Capital Projects Fund and TIF District Fund, which are considered to be major funds. Data from the other seven governmental funds are combined into a single, aggregated presentation.

The City of Wood Dale adopts an annual appropriation ordinance for its General Fund, as required by Illinois Statutes. A budgetary statement on page 59 has been provided for the General Fund to demonstrate compliance with this budget.

**Proprietary Funds**

The City of Wood Dale has three enterprise funds that are considered proprietary funds in the financial statements. Enterprise funds are presented as business-type activities in the government-wide financial statements, and include the funds used to account for the water & sewer utility, the commuter parking lot, and refuse disposal services (sanitation).

Proprietary funds provide the same type of information as the business-type activities in the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Water & Sewer Fund, and aggregated information for the Commuter Parking Lot Fund and the Sanitation Fund.

The basic proprietary fund financial statements can be found on pages 11 through 15 of this report.

**Fiduciary Funds**

Fiduciary funds are used to account for resources held for the benefit of parties outside of the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds. The City of Wood Dale maintains two fiduciary funds: the Police Pension Fund and the Special Service Area Fund.

The basic fiduciary fund financial statements can be found on pages 16 and 17 of this report.

**City of Wood Dale, Illinois  
Management's Discussion and Analysis  
April 30, 2021**

---

**Notes to the Financial Statements**

The notes provide additional information that is essential to the full understanding of the data provided in the government-wide and fund financial statements. The notes to financial statements can be found on pages 18 through 58 of this report.

**Other Information**

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning budget-to-actual comparisons for the General Fund.

Other supplementary information includes certain required information regarding the City's progress in funding its pension obligations to employees. Required supplementary information can be found after Notes to the Financial Statements beginning on page 59 through 69.

**Government-wide Financial Analysis**

The government-wide financial statements for the fiscal years ended April 30, 2021 and April 30, 2020 are presented below for comparative purposes. These statements reflect the operations and net position of the government as a whole. The changes in the financial statement reporting model are mandated by the Governmental Accounting Standards Board (GASB) and were first implemented by the City of Wood Dale for the period ended April 30, 2004.

**Net Position**

The following table presents the condensed Statement of Net Position:

Total assets and deferred outflows of resources exceeded total liabilities and resources of liabilities for governmental activities as well as business-type activities for the fiscal year ended April 30, 2021. Approximately \$101,393,113 of the City's total net position represents investment in capital assets, (buildings, equipment and infrastructure, net of related debt). \$3,482,716 of the total net position represents resources that are restricted on how they may be used. The remaining balance of unrestricted net position, (\$17,969,868), may be used to meet the City's ongoing obligations to citizens and creditors.

**City of Wood Dale, Illinois**  
**Management's Discussion and Analysis**  
**April 30, 2021**

---

As of April 30, 2021, the City is able to report positive net position, both for the government as a whole, as well as, for its separate governmental and business-type activities. The City reports deficit unrestricted net positions for both its governmental and business-type activities as a result of the implementation of Governmental Accounting Standards Board (GASB) Statement No. 68 and Statement No. 75 which required the City to record the net pension liabilities and related deferred inflows and outflows of resources on the Statement of Net Position, as well as any other postemployment benefit (OPEB) liabilities and related deferred inflows and outflows of resources on the Statement of Net Position. Factoring out the pension and OPEB related amounts, the City would report a positive unrestricted net position of over \$11 million for the governmental activities and a deficit of \$2.2 million for the business-type activities. For more detailed information, see the Statement of Net Position on page 4.

**Activities**

The following table summarizes the revenue and expenses of the City's activities.

**City of Wood Dale, Illinois  
Management's Discussion and Analysis  
April 30, 2021**

**Statement of Activities**

Net position for governmental activities increased by \$769,790 during fiscal year 2021. This increase was due to an increase in General Fund revenues related to Grants, and a reduction in expenditures related to General Government of over \$900 thousand due to a reduction in certain capital expenses related to Tourism/Special Events and delays in vehicle replacement due to issues related to vehicle availability.

Net position for business-type activities increased by \$500,886 in the current year when compared to the prior year. This increase is due to an increase in Charges for Service of \$433,808 and a slight reduction in expenses within the Water & Sewer Fund. The Commuter Parking fund and the Sanitation Fund both flat year over year.

Governmental activities net position of \$65,437,109 represent 75.30% of the total net position, and business-type activities net position of \$21,468,852 represent 24.70% of the total net position at April 30, 2021.

**Revenues**

Of the total City revenue, \$20,905,647 or 68.14% was accounted for by governmental activities and \$9,774,198 or 31.86% by business-type activities.

**Exhibit I  
Revenues by Source  
For the Fiscal Year Ended April 30, 2021**

**City of Wood Dale, Illinois  
Management's Discussion and Analysis  
April 30, 2021**

Revenues from governmental activities primarily consist of taxes and intergovernmental totaling \$16,950,340, charges from services of \$2,010,928, and Grants of \$1,944,379. Property taxes account for \$5,811,076 or 36.71% of the total taxes, while all other taxes (telecommunication, utility, sales, use, income and other) comprise the remaining 63.29% or \$10,291,782 of total taxes.

The remaining governmental activities revenue was generated by utility tax, hotel tax, permit fees, fines, vehicle licenses, investment income and miscellaneous revenue.

Revenues from business-type activities consist primarily of user charges for the water & sewer utility, parking fees charged to users of the commuter parking lot, and charges for refuse disposal services.

**Expenses**

Of the total City expenses, \$19,817,247 or 67.38% was accounted for by governmental activities and \$9,591,922 or 32.62% by business-type activities.

Governmental activities expenses consist of those related to public safety, highways and streets, recreation, and general government, while business-type expenses are derived from the operations for waterworks, sewerage, and sanitation services.

---

**Financial Analysis of the City's Funds**

**Major Funds – Governmental Activities**

**General Fund**

The General Fund is the major operating fund of the City. For the fiscal year ended April 30, 2020, the General Fund reported an unassigned fund balance of \$8,408,048, and total fund balance of \$9,196,440 including the restricted and non-spendable amounts. Unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year, and as a measure of the General Fund's liquidity. Measuring the unassigned fund balance against total General Fund annual expenditures indicates that the unassigned fund balance equals 63.81% of total annual expenditures.

At April 30, 2021, the unassigned fund balance in the General Fund was \$4,184,233 lower than the unassigned fund balance in the General Fund at April 30, 2020. This represents a 50.24% decrease, which is largely related to the increase in the non-spendable – advance to other funds. Total revenues were down \$195,195 versus the budget, while expenditures came in 584,727 under budget. This total \$389,532 spread in revenues and expenditures was spread across multiple revenues and departments and was not attributable to any one large event/item.

**Table 3  
General Fund Budgetary Highlights  
For the Fiscal Year Ended April 30, 2021**

	<b>Budget</b>	<b>Actual</b>	<b>Positive (Negative) Variance</b>
<b>REVENUES</b>			
Taxes	\$ 4,503,000	\$ 4,268,766	\$ (234,234)
Charges for Services	721,480	563,225	(158,255)
Other	9,160,615	9,357,909	197,294
<b>Total Revenues</b>	<b>14,385,095</b>	<b>14,189,900</b>	<b>(195,195)</b>
<b>EXPENDITURES</b>			
General Government	5,695,059	5,492,710	202,349
Public Safety	7,369,677	7,118,792	250,885
Highways, Streets and Sewers	1,221,097	1,089,604	131,493
<b>Total Expenditures</b>	<b>14,285,833</b>	<b>13,701,106</b>	<b>584,727</b>
<b>Excess of Revenues over Expenditures</b>	<b>\$ 99,262</b>	<b>\$ 488,794</b>	<b>\$ 389,532</b>

General fund tax revenue was \$234,234 lower than budgeted. This decrease is largely predicated on lower than expected and below budget collections in Telecommunications and the Utility taxes, while Property and Replacement Taxes were up \$58,492. Intergovernmental revenue was \$709,105 over budget, largely based upon the money the City received from the CARES Act and increased Income Tax

**City of Wood Dale, Illinois**  
**Management's Discussion and Analysis**  
**April 30, 2021**

---

collections offsetting lower than budgeted Sales Tax. Charges for Services were \$158,255 lower than budget, largely due slight decreases in multiple lines, most notably impounded vehicles.

The State of Illinois enacted legislation regarding the paying of the Local Government Distributive Fund monies (Income Tax) and has been following through on that action. Fines and Forfeitures came in \$301,405 lower than budget due mostly to the Red-Light Enforcement, which was \$211,290 lower than budgeted and Court Fines which was off by \$67,880. Both of these are expected to rebound to varying degrees as people begin to return to work once (as) the COVID-19 pandemic subsides.

**Capital Projects Fund**

The Capital Projects Fund is considered a major fund of the City. This fund is used to record the City's capital expenditures including land, streets, and storm sewers, as well as buildings and improvements.

Revenue for the Capital Projects Fund was \$31,291 higher than the prior year, although \$592,808 less than what was budgeted for. This is due to the current year Intergovernmental revenue coming in \$95,451 lower than the budgeted, while tax revenue came in \$353,064 lower than budgeted. Expenditures for the current year Capital Projects Fund were \$10,776,438 more than the prior year, although came in \$1,158,708 under budget. This increase in expenditures year over year is due to a multi-year stormwater project. The City has done a good job of bidding projects in a timely manner and taking advantage of aligning project geographically so as to save on mobilization and equipment transport costs.

**TIF District #1 Fund**

The TIF District #1 Fund is considered a major fund of the City. This fund is used to record the City's expenditures relating to this area, which is generally located around the newly construction I-390 extension.

Revenue for TIF District #1 was \$355,877 higher than the prior year, and \$135,014 higher than what was budgeted for. This increase is due to the increase in property tax revenue received, which is a positive sign that the TIF District is performing well and property values within the District are increasing. Expenditures were \$4,033,284 million lower than the prior year, and \$18,615 lower than what was budgeted for. This decrease is due to the property acquisition occurring in the previous fiscal that did not occur in the current fiscal year. Removing the land acquisition costs, expenses were \$87,716 than the previous year.

**Other Funds – Business-type Activities**

The City maintains three enterprise funds that comprise its business-type activities. The Water/Sewer Operations Fund is considered a major fund, while the Commuter Parking Lot Fund and the Sanitation Fund are considered nonmajor funds.

**City of Wood Dale, Illinois  
Management's Discussion and Analysis  
April 30, 2021**

---

**Capital Assets and Debt Administration**

At the end of fiscal year 2021, the City has a combined total of \$136,597,722 invested in capital assets. The table below lists the assets by category.

**Table 4  
Investment in Capital Assets**

Land and Land Improvements	\$ 15,156,879
Lands - Right of Way	12,486,207
Construction in Progress	13,613,709
Buildings and Improvements	6,456,362
Vehicles and Equipment	12,839,529
Streets/Sidewalks/Bridges	111,659,187
Parking Lot Improvements	2,075,298
Water & Sewer Mains	<u>57,593,451</u>
	231,880,622
Less: Accumulated Depreciation	<u>(95,282,900)</u>
Capital Assets, Net of Depreciation	<u><u>\$ 136,597,722</u></u>

**City of Wood Dale, Illinois**  
**Management's Discussion and Analysis**  
**April 30, 2021**

**Long-Term Debt**

The City had no outstanding general obligation debt as of April 30, 2021. However, the City did issue \$9,995,000 in Alternate Revenue Bonds for the North Wastewater Treatment Plant upgrade project. The City received a AA Stable rating from Standard & Poor's, and issued the debt in February 2012. In early 2014, the City was upgraded to a AAA bond rating. That rating was reaffirmed in December 2017. While it was preparing the issue the 2020A bonds, the City was downgraded slightly to AA+ Stable in January 2020. That rating was reaffirmed in August, 2021.

The City also recorded long-term debt of \$64,182,026, of which 35.68% or \$22,904,164 is related to the debt for the Treatment Plant upgrades (\$6,290,000 Alternate Revenue Bonds and \$16,614,164 IEPA Loan), 60.77% (\$39,002,251) is for Governmental Activities and 3.55% (\$2,275,611) is for Business-Type Activities net of the Treatment Plant upgrades. The debt associated with Governmental Activities is comprised of amounts payable for compensated employee absences, the City's net pension liabilities to the Police Pension Fund, and Other Post-Employment Benefits (OPEB) obligation. The debt associated with Business-Type Activities (exclusive of the Alternate Revenue Bonds) is comprised of compensated employee absences.

Long Term Debt as of April 30, 2021 is \$6,392,818 less than April 30, 2020. This decrease is due to a change for Net Pension Liabilities – Police & IMRF obligations which decreased by \$5,432,698 from the previous year a reduction in the amounts due on all of the City's outstanding debt issuances.

In accordance with GASB 75 (Other Post-Employment Benefits) the City recognized a liability of \$7,232,916. The increase is based upon a new valuation based upon newer data, as well as, an updated cost for the one Police officer receiving a duty disability and receiving the Public Safety Employee Benefit Act (PSEBA) benefit to have their health insurance covered for life, wholly at the expense of the City. Except for the one employee receiving PSEBA benefits, the City has no explicit cost associated with this obligation as the entire amount is an implicit cost as the City contributes nothing to retiree health care costs. Based upon the entire amount being implicit and not actually due, the City does not intend to fund any of this obligation.

In accordance with GASB 67 & 68 (Financial Reporting for Pension Plans and Accounting and Financial Reporting for Pensions, respectively) the City recognized an obligation of \$21,348,679.

**Table 5**  
**Long Term Debt**

---

**Economic Factors and Next Year's Budget and Rates**

Property taxes provide the City of Wood Dale with a stable revenue source, although this source is subject to the annual tax cap and will not grow appreciably during the next fiscal year. Shared revenues from the State of Illinois continue to make up a significant source of revenues. However, concern over the State of Illinois budget crisis and its potential impact on state per capita taxes (use, income and MFT) have subsided for the time being, the City may still need to seek alternate revenue sources at some point in the future. As a non-home rule community, the City must seek voter approval through referendum in order to raise property taxes above those allowed the tax cap legislation or sales tax rates.

The City placed the question of whether or not the voters wish the City to impose an additional 1% non-home rule sales tax on the November 6, 2006 ballot. This referendum was successful and a 1% non-home rule sales tax was implemented on July 1, 2007.

The budget for fiscal year 2021 - 2022 was approved by the City Council on April 15, 2021. Expenditures in this budget totaled \$47,565,247 for all funds, a \$4,841,199 or an 9.08% decrease compared to fiscal year 2020 - 2021. The majority of the decrease is related a reduction in contractual services and transfers related to capital projects within the TIF, with slight decreases spread across the other Governmental Funds.

The COVID-19 pandemic has caused significant business disruption through mandated and voluntary closings of City locations. Management, with the support of the City Council, have responded with operational adjustments to ensure the stability of the City's finances.

**Requests for Information**

This financial report is designed to provide our citizens, customers, investors, and creditors with a general overview of the City's finances and to demonstrate the City's commitment to public accountability. If you have any questions about this report or wish to request additional information, please contact the Finance Department of the City of Wood Dale, 404 N. Wood Dale Road, Wood Dale, Illinois 60191.

RECONCILIATION OF FUND BALANCES OF GOVERNMENTAL FUNDS TO THE  
GOVERNMENTAL ACTIVITIES IN THE STATEMENT OF NET POSITION

April 30, 2021

---

<b>FUND BALANCES OF GOVERNMENTAL FUNDS</b>	<b>\$ 14,811,948</b>
Amounts reported for governmental activities in the statement of net position are different because:	
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the governmental funds	87,409,883
Other long-term assets are not available to pay for current period expenditures and, therefore, are deferred in the governmental funds	509,337
The net pension asset for the Illinois Municipal Retirement Fund is shown as a asset on the statement of net position	533,096
Net pension liability for the Police Pension Fund is shown as a liability on the statement of net position	(21,348,679)
Differences between expected and actual experiences, assumption changes, net differences between projected and actual earnings, and contributions subsequent to the measurement date for the Illinois Municipal Retirement Fund are recognized as deferred outflows and inflows of resources on the statement of net position	(1,951,681)
Differences between expected and actual experiences, assumption changes, net differences between projected and actual earnings for the Police Pension Fund are as deferred outflows and inflows of resources on the statement of net position	184,954
Differences between expected and actual experiences, assumption changes, net differences between projected and actual earnings for the OPEB liability are as deferred outflows and inflows of resources on the statement of net position	3,032,220
Long-term liabilities are not due and payable in the current period and, therefore, are not reported in the governmental funds	
Bonds payable	(8,890,000)
Loans payable	(1,631,200)
Unamortized premium	(346,944)
OPEB liability	(6,174,054)
Accrued interest	(90,397)
Compensated absences	(611,374)
<b>NET POSITION OF GOVERNMENTAL ACTIVITIES</b>	<b><u>\$ 65,437,109</u></b>

RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES,  
EXPENDITURES, AND CHANGES IN FUND BALANCES TO THE  
GOVERNMENTAL ACTIVITIES IN THE STATEMENT OF ACTIVITIES

For the Year Ended April 30, 2021

---

<b>NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS</b>	<b>\$ (8,558,551)</b>
---	-----------------------

Amounts reported for governmental activities in the statement of activities  
are different because:

Governmental funds report capital outlay as expenditures; however, they are capitalized and depreciated in the statement of activities	
Capitalized capital assets	12,463,539
Depreciation expense	(2,736,913)

Proceeds from the disposal of capital assets are recognized in governmental funds but the loss is recognized in the statement of activities	(83,366)
--	----------

Amortization of premium on bonds is reported as a reduction of interest expense on the statement of activities	18,260
---	--------

The repayment of the principal portion of long-term debt is reported as an expenditure when due in governmental funds but as a reduction of principal outstanding on the statement of net position	360,000
--	---------

Revenues in the statement of activities that are not available in governmental funds are not reported as revenue in governmental funds until received	(36,894)
--	----------

The change in compensated absences does not require a current financial resource	(62,958)
---	----------

The change in the net pension asset, deferred outflows and deferred inflows of resources for the Illinois Municipal Retirement Fund is reported only in the statement of activities	660,392
---	---------

The change in the net pension liability, deferred outflows and deferred inflows of resources for the Police Pension Fund is reported only in the statement of activities	(665,940)
--	-----------

The change in accrued interest is reported as an expense on the statement of activities	(86,319)
--	----------

The change in the other postemployment benefit liability and related deferred outflows of resources is reported only in the statement of activities	<u>(501,460)</u>
--	------------------

<b>CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES</b>	<b><u><u>\$ 769,790</u></u></b>
--	---------------------------------

See accompanying notes to financial statements.

# CITY OF WOOD DALE, ILLINOIS

## NOTES TO FINANCIAL STATEMENTS

April 30, 2021

---

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the City of Wood Dale, Illinois (the City) have been prepared in accordance with accounting principles generally accepted in the United States of America, as applied to government units (hereinafter referred to as generally accepted accounting principles (GAAP)). The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies are described below.

#### a. Reporting Entity

The City is a municipal corporation governed by a nine-member council consisting of eight aldermen and the mayor. As required by generally accepted accounting principles, these financial statements present the City (the primary government). In evaluating how to define the reporting entity, management has considered all potential component units. The decision to include a potential component unit in the reporting entity was made based upon the significance of their operational or financial relationships with the primary government. Based on these criteria, the City is not considered a component unit of any other governmental unit.

The Police Pension Fund has been included as a fiduciary component unit reported as a Pension Trust Fund. The Police Pension Fund functions for the benefit of the City's sworn police employees and is governed by a five-member pension board. Two members appointed by the Mayor, the City Treasurer, and two elected police officers constitute the pension board. The City and the Police Pension Fund participants are obligated to fund all the Police Pension Fund costs based upon actuarial valuations, including administrative costs. The State of Illinois is authorized to establish benefit levels and the City is authorized to approve the actuarial assumptions used in the determination of the contribution levels. Accordingly, the Police Pension Fund is fiscally dependent on the City. Separate financial statements are not available for the Police Pension Fund.

#### b. Fund Accounting

The accounts of the City are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

b. Fund Accounting (Continued)

Funds are classified into the following categories: governmental, proprietary, and fiduciary.

Governmental funds are used to account for all or most of a City's general activities, including the collection and disbursement of restricted or committed monies (special revenue funds), the funds committed, restricted, or assigned for the acquisition or construction of capital assets (capital projects funds), and the funds committed, restricted, or assigned for the servicing of long-term debt (debt service funds). The General Fund is used to account for all activities of the City not accounted for in some other fund.

Proprietary funds are used to account for activities similar to those found in the private sector, where the determination of net income is necessary or useful to sound financial administration. Goods or services from such activities can be provided either to outside parties (enterprise funds) or to other departments or agencies primarily within the City (internal service funds).

Fiduciary funds are used to account for fiduciary activities (e.g., assets held on behalf of outside parties, including other governments). The City utilizes a pension trust fund and a custodial fund, both of which are generally used to account for assets that the City holds in a fiduciary capacity.

c. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the City. The effect of material interfund activity, other than interfund services, has been eliminated from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function, segment, or program are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and (2) grants and shared revenues that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

c. Government-Wide and Fund Financial Statements (Continued)

The City reports the following major governmental funds:

The General Fund is the City's primary operating fund. It accounts for all financial resources of the general government, except those accounted for in another fund.

The Capital Projects Fund accounts for the acquisition and construction of major capital facilities other than those accounted for as special service areas, or financed by proprietary funds. Financing is provided by transfers from other funds, non-home rule sales tax, grants, and utility taxes.

The TIF District Fund accounts for the revenues and expenditures related to the City's Thorndale Corridor Tax Increment Financing District in accordance with the Tax Increment Allocation Redevelopment Act.

The City reports the following major proprietary funds:

The Water/Sewer Operations Fund accounts for the provision of water and sewer services to the residents of the City. All activities necessary to provide such services are accounted for in this fund including, but not limited to, administration, operations, financing and related debt service, and billing and collections.

Additionally, the City reports the following fiduciary funds:

The Police Pension Fund is used to account for the police pension activities.

The Special Service Area Fund, a custodial fund, reports the special service area activity responsible for noncommitment debt repayment.

d. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Revenues and additions are recorded when earned and expenses and deductions are recorded when a liability is incurred. Property taxes are recognized as revenues in the year for which they are levied (i.e., intended to finance). Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. Operating revenues/expenses include all revenues/expenses directly related to providing enterprise fund services. Incidental revenues/expenses are reported as non-operating.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

d. Measurement Focus, Basis of Accounting and Financial Statement Presentation  
(Continued)

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period, except for sales taxes and telecommunication taxes which use a 90-day period. Expenditures generally are recorded when a fund liability is incurred. However, debt service expenditures are recorded only when payment is due, unless due the first day of the following fiscal year.

Property taxes, sales taxes (owed to the state at year end), simplified telecommunication taxes, utility taxes, franchise taxes, licenses, charges for services, and interest associated with the current fiscal period are all considered to be susceptible to accrual and are recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the City.

In applying the susceptible to accrual concept to intergovernmental revenues (i.e., federal and state grants), the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, monies must be expended on the specific purpose or project before any amounts will be paid to the City; therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are generally revocable only for failure to comply with prescribed eligibility requirements, such as equal employment opportunity. These resources are reflected as revenues at the time of receipt or earlier if they meet the availability criterion.

The City reports unavailable/deferred revenue and unearned revenue on its financial statements. Unavailable/deferred revenues arise when a potential revenue does not meet both the measurable and available or earned criteria for recognition in the current period. Unearned revenues also arise when resources are received by the City before it has a legal claim to them or prior to the provision of services, as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the City has a legal claim to the resources, the unavailable/unearned/deferred revenue is removed from the financial statements and revenue is recognized.

e. Cash and Cash Equivalents

Cash and cash equivalents include amounts in demand deposits and investments with a maturity date of three months or less from the date acquired by the City.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

f. Investments

Investments with a maturity of less than one year when purchased, non-negotiable certificates of deposit and other nonparticipating investments are stated at cost or amortized cost. Investments with a maturity greater than one year when purchased and all investments of the pension trust fund are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

g. Property Taxes

Property taxes for 2020 attach an enforceable lien on January 1, 2020 on property values assessed as of the same date. Taxes are levied by December of the subsequent fiscal year (by passage of a Tax Levy Ordinance).

Tax bills are prepared by the County and issued on or about May 1, 2021, and are payable in two installments, on or about June 1, 2021 and September 1, 2021. The County collects such taxes and remits them periodically. The allowance for uncollectible taxes has been stated at 2% of the tax levy, to reflect actual collection experience. As the 2020 tax levy is intended to fund expenditures for the 2021-2022 fiscal year, these taxes are reported as unavailable/deferred as of April 30, 2021.

The 2021 tax levy, which attached as an enforceable lien on property as of January 1, 2021, has not been recorded as a receivable as of April 30, 2021, as the tax has not yet been levied by the City and will not be levied until December 2021; therefore, the levy is not measurable at April 30, 2021.

h. Interfund Transactions

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables are classified as “due from other funds” or “due to other funds.” Short-term interfund loans, if any, are classified as “interfund receivables/payables.” Long-term interfund loans are classified as “advances to/from other funds.”

Interfund services are accounted for as revenues, expenditures, or expenses. Transactions that constitute reimbursements to a fund for expenditures/expenses initially made from it that are properly applicable to another fund, are recorded as expenditures/expenses in the reimbursing fund and as reductions of expenditures/expenses in the fund that is reimbursed. All other interfund transactions, except interfund services and reimbursements, are reported as transfers.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

---

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

i. Prepaid Items

Payments made to vendors for services that will benefit periods beyond the date of this report, if any, are recorded as prepaid items. Prepaid items are recognized on the consumption method in governmental funds.

j. Inventory

Inventory of supplies is valued at the cost on a first-in/first-out (FIFO) basis. The costs of governmental fund inventories are recorded as expenditures when consumed.

k. Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, and storm sewers), are reported in the applicable governmental or business-type activities column in the government-wide financial statements.

Capital assets are defined by the City as assets with an initial, individual cost of more than \$5,000 for machinery, equipment, and vehicles; \$50,000 for land and building improvements; \$100,000 for buildings; and \$250,000 for infrastructure and an estimated useful life in excess of one year.

Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs, including street overlays that do not add to the value or service capacity of the asset or materially extend asset lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Property, plant, and equipment are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Land and parking lot improvements	20
Building and improvements	50
Vehicles and equipment	5-20
Infrastructure	20-65
Waterworks and sewerage systems	50-65

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

l. Long-Term Obligations

In the government-wide financial statements and proprietary funds in the fund financial statements, long-term debt, and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund financial statements. Bond premiums and discounts are deferred and amortized over the life of the bonds. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are expensed in the year of issuance.

In the fund financial statements, governmental funds recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as expenditures.

m. Compensated Absences

It is the City's policy to permit employees to accumulate earned but unused vacation and sick pay benefits.

Vested and accumulated vacation leave are reported as an expenditure and a fund liability of the governmental fund that will pay it once retirement or separation has occurred. Vested or accumulated vacation and sick leave of proprietary funds and governmental activities are recorded as an expense and liability of those funds as the benefits accrue to employees.

n. Fund Balances/Net Position

In the fund financial statements, governmental funds report nonspendable fund balance for amounts that are either not in spendable form or are legally or contractually required to be maintained intact. Restrictions of fund balance are reported for amounts constrained by legal restrictions from outside parties for use for a specific purpose, or externally imposed by outside entities or from enabling legislation adopted by the City. Committed fund balance is constrained by formal actions of the City Council, which is considered the City's highest level of decision-making authority. Formal actions include ordinances approved by the City Council. Assigned fund balance represents amounts constrained by the City's intent to use them for a specific purpose. The authority to assign fund balance has been delegated to the City Manager and Finance Director as directed by the City's fund balance policy. Any residual fund balance in the General Fund, including fund balance targets and any deficit fund balance of any other governmental fund is reported as unassigned. The General Fund has a target unassigned fund balance of 50% of fiscal year budgeted expenditures. The City was not in compliance with this policy as of April 30, 2021.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

n. Fund Balances/Net Position (Continued)

The City's flow of funds assumption prescribes that the funds with the highest level of constraint are expended first. If restricted or unrestricted funds are available for spending, the restricted funds are spent first. Additionally, if different levels of unrestricted funds are available for spending the City considers committed funds to be expended first followed by assigned funds and then unassigned funds.

In the government-wide financial statements, restricted net positions are legally restricted by outside parties for a specific purpose. Net investment in capital assets represents the book value of capital assets less any outstanding long-term debt issued to acquire or construct the capital assets.

None of the restricted net positions or restricted fund balance results from enabling legislation adopted by the City.

o. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

p. Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

q. Postponement of Implementation of Certain Authoritative Guidance

In accordance with the provisions of GASB Statement No. 95, *Postponement of the Effective Dates of Certain Authoritative Guidance*, the City has delayed the implementation of GASB Statement No. 87, *Leases*, to April 30, 2023.

## **2. DEPOSITS AND INVESTMENTS**

The City and pension fund categorize the fair value measurements within the fair value hierarchy established by GAAP. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs.

State statutes and the City's investment policy authorize the City to make deposits in commercial banks and savings and loan institutions, and to make investments in obligations of the U.S. Treasury, GNMA's, Federal Home Loan Bank, bank managed money market funds, The Illinois Funds, and the Illinois Metropolitan Investment Fund (IMET).

The Illinois Public Treasurers' Investment Pool, known as The Illinois Funds, operates as a qualified external investment pool in accordance with the criteria established in GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*, and thus, reports all investments at amortized cost rather than fair value. The investment in The Illinois Funds by participants is also reported at amortized cost. The Illinois Funds does not have any limitations or restrictions on participant withdrawals. The Illinois Treasurer's Office issues a separate financial report for The Illinois Funds which may be obtained by contacting the Administrative Office at Illinois Business Center, 400 West Monroe Street, Suite 401, Springfield, Illinois 62704.

IMET is a not-for-profit investment trust formed pursuant to the Illinois Municipal Code and managed by a Board of Trustees elected from the participating members. IMET is not registered with the SEC as an investment company. Investments in IMET are valued at IMET's share price, the price for which the investment could be sold.

It is the policy of the City to invest its funds in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow demands of the City and conforming to all state and local statutes governing the investment of public funds, using the "prudent person" standard for managing the overall portfolio. The primary objective of the policy is safety (preservation of capital and protection of investment principal), liquidity, yield, and public trust.

### **a. City Deposits with Financial Institutions**

Custodial credit risk for deposits with financial institutions is the risk that in the event of a bank's failure, the City's deposits may not be returned to it. The City's investment policy requires pledging of collateral with a fair value of 105% of all bank balances in excess of federal depository insurance, evidenced by a written collateral agreement with the collateral held by an agent of the City in the City's name.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

**2. DEPOSITS AND INVESTMENTS (Continued)**

b. City Investments

The City has the following recurring fair value measurements as of April 30, 2021: The U.S. agency securities and the negotiable certificates of deposit are valued using quoted matrix pricing models based on various market and industry inputs (Level 2 inputs). The IMET 1 to 3-Year fund, a mutual fund, is measured based on the net asset value of the shares in IMET, which is based on the fair value of the underlying investments in the mutual fund (Level 3 input).

The following table presents the investments and maturities of the City's debt securities as of April 30, 2021:

Investment Type	Fair Value	Investment Maturities (in Years)			
		Less than 1	1-5	6-10	Greater than 10
U.S. agency securities	\$ 1,224,595	\$ -	\$ 1,224,595	\$ -	\$ -
Negotiable certificates of deposit	150,297	75,281	75,016	-	-
IMET	257,334	-	257,334	-	-
<b>TOTAL</b>	<b>\$ 1,632,226</b>	<b>\$ 75,281</b>	<b>\$ 1,556,945</b>	<b>\$ -</b>	<b>\$ -</b>

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. In accordance with its investment policy, the City limits its exposure to interest rate risk by structuring the portfolio to provide liquidity for operating funds and maximizing yields for funds not needed within a two-year period. The investment policy limits the maximum maturity length of investments in the operating funds to five years from date of purchase. Investments in other funds may be purchased with maturities to match future projects or liability requirements with written approval.

The City limits its exposure to credit risk, the risk that the issuer of a debt security will not pay its par value upon maturity, by primarily investing in securities issued by agencies of the United States Government that are explicitly guaranteed by the United States Government (Federal Home Loan Bank). The U.S. agency securities, The Illinois Funds, and IMET are rated AAA by Moody's. The negotiable certificates of deposit are not rated.

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to the investment, the City will not be able to recover the value of its investments that are in possession of an outside party.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

**2. DEPOSITS AND INVESTMENTS (Continued)**

b. City Investments (Continued)

To limit its exposure, the City's investment policy requires that security transactions exposed to custodial credit risk be executed by delivery versus payment (DVP) with the underlying investments being held by a third party agent in the City's name, separate from where the security was purchased. The Illinois Funds and IMET are not subject to custodial credit risk.

Concentration of credit risk is the risk that the City has a high percentage of its investments invested in one type of investment. The City's investment policy limits the amount of the portfolio that can be invested in any one investment category. as follows: U.S. Treasury securities shall not exceed 90% of the investment portfolio; U.S. agency securities shall not exceed 50% of the investment portfolio with no more than 20% of the portfolio invested in the obligations of a single agency; financial institution certificates of deposit shall not exceed 75% of the portfolio; investments in IMET shall not exceed 50% of the portfolio; and investments in government money market funds shall not exceed 7% of the portfolio. The City's investment policy does not limit deposits with The Illinois Funds.

**3. CAPITAL ASSETS**

Capital asset activity for the year ended April 30, 2021 was as follows:

	Beginning Balances	Increases	Decreases	Ending Balances
<b>GOVERNMENTAL ACTIVITIES</b>				
Capital assets not being depreciated				
Land	\$ 14,380,779	\$ 390,000	\$ -	\$ 14,770,779

Utility tax	76,912
Illinois Tollway reimbursements	<u>344,816</u>
TOTAL GOVERNMENTAL ACTIVITIES	<u>\$ 2,323,389</u>

**5. RISK MANAGEMENT**

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; natural disasters; and injuries to the City's employees. These risks are provided for through insurance purchased from private insurance companies.

There have been no reductions in the City's insurance coverage for any of its programs since the prior fiscal year. Settlements have not exceeded insurance coverage during the current year or prior three fiscal years.

**Intergovernmental Personnel Benefit Cooperative**

The City participates in the Intergovernmental Personnel Benefit Cooperative (IPBC). IPBC is a public entity risk pool established by certain units of local government in Illinois to administer some or all of the personnel benefit programs (primarily medical and life insurance coverage) offered by these members to their officers and employees and to the officers and employees of certain governmental, quasi-governmental, and nonprofit public service entities.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

**5. RISK MANAGEMENT (Continued)**

Intergovernmental Personnel Benefit Cooperative (Continued)

IPBC receives, processes, and pays such claims as may come within the benefit program of each member. Management consists of a Board of Directors comprised of one appointed representative, along with an alternate, from each member. In addition, there are two officers; a chairperson and a Treasurer. The City does not exercise any control over the activities of IPBC beyond its representation on the Board of Directors.

Complete financial statement, the latest available dated June 30, 2020, may be obtained directly from IPBC's administrative offices at 800 Roosevelt Road, Building C, Suite 312, Glen Ellyn, Illinois 60137.

**6. LONG-TERM DEBT (Continued)**

d. Changes in Long-Term Liabilities (Continued)

The Governmental Activities and Business-Type Activities net pension liability - IMRF is reported as a net pension asset as of April 30, 2021. See note 7 for additional information and disclosures.

e. Other Non-Obligation Type Bonded Debt

Special Service Area Debt

Special Service Area Bonds outstanding as of the date of this report totaled \$1,903,951. These bonds are not an obligation of the City and are secured by the levy of an annual tax on the real property within the special service area. The City is in no way liable for repayment but is only acting as agent for the property owners in levying and collecting the tax and forwarding the collections to bondholders.

f. Pledged Revenues

The City has issued Alternate Revenue Source Bonds for which they have pledged future revenue streams.

The Series 2012 General Obligation Alternate Revenue Source Bonds, issued for the North Wastewater Treatment Plant Upgrades, Phase 1A, are payable from (i) Water and Sewer Revenues, Non-Home Rule Sales Taxes, and such other funds of the City lawfully available and annually appropriated for such purpose; and (ii) ad valorem taxes levied against all taxable property within the City without limitation as to rate or amount. The 2012 bonds were refunded and have a remaining total pledge of \$0. During the current fiscal year, the pledge of water revenues for the 2012 bonds of \$651,070 was approximately 5.97% of total water and sewer revenues and non-home rule sales tax revenues.

The Series 2020B General Obligation Alternate Revenue Source Bonds, issued to refund the Series 2012 General Obligation Alternate Revenue Source Bonds Phase 1A, are payable from (i) Water and Sewer Revenues, Non-Home Rule Sales Taxes, and such other funds of the City lawfully available and annually appropriated for such purpose; and (ii) ad valorem taxes levied against all taxable property within the City without limitation as to rate or amount. The 2020B bonds have a remaining total pledge of \$8,035,100, with the bonds maturing December 30, 2032. During the current fiscal year, no principal and interest was due and, therefore, no pledge was required.

**6. LONG-TERM DEBT (Continued)**

f. Pledged Revenues (Continued)

The Series 2020A General Obligation Alternate Revenue Source Bonds, issued for financing certain stormwater improvement projects within the City, are payable from (i) receipts of the Retailer's Occupation Taxes, Service Occupation Taxes, Use Taxes and Service Use Taxes (the "Sales Taxes"), (ii) such other funds of the City lawfully available and annually appropriated for such purpose; and (iii) ad valorem taxes levied against all taxable property within the City without limitation as to rate or amount. The 2020A bonds have a remaining total pledge of \$11,756,945, with the bonds maturing December 30, 2039. During the current fiscal year, the pledge of sales tax revenues for the 2020 bonds of \$546,119 was approximately 9.15% of total sales tax revenues.

g. Asset Retirement Obligation

The City has recognized an asset retirement obligation (ARO) and related deferred outflow of resources in connection with its obligation to seal and abandon various water wells at the end of their estimated useful lives in accordance with federal, state, and/or local requirements. The ARO was measured using actual historical costs for similar abandonments, adjusted for inflation through the end of the year. The estimated remaining useful lives of the water wells is 50 years.

h. Current Refunding

On October 28, 2021, the City issued \$6,290,000 of the Series 2020B General Obligation Alternate Revenue Source Refunding Bonds to currently refund \$7,125,000 of the Series 2012 General Obligation Alternate Revenue Source Bonds. The refunded bonds were paid from escrow on October 28, 2021. As a result of the refunding, the City achieved cash flow savings of \$458,530 and an economic gain on the refunding of \$407,779.

i. Line of Credit

On April 16, 2016, the City entered into a line of credit of \$5,000,000 with the intention to use the funds to finance the costs related to a recently established TIF District. The maturity date on the line of credit was extended to June 30, 2022, and the interest rate for each draw will be set at the then current monthly London Inter-Bank Offered Rate (LIBOR) plus 2.0%, with the rate reset at the then current monthly LIBOR rate plus 2.0% every month thereafter until the line of credit matures. The City did not draw on the line of credit as of April 30, 2021 and, therefore, there is no liability to recognize as of April 30, 2021.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

---

**6. LONG-TERM DEBT (Continued)**

j. Promissory Note Payable

On December 22, 2017, the City issued the Series 2017 General Obligation Promissory Note in the amount of \$1,631,200, issued for financing various capital improvements within the City. The principal of the note will be payable on December 22, 2022, the maturity date. Interest will be payable quarterly on March 1, June 1, September 1, and December 1 of each year, at 3% per annum, commencing on March 1, 2018.

**7. DEFINED BENEFIT PENSION PLANS**

The City contributes to two defined benefit pension plans: the Illinois Municipal Retirement Fund (IMRF), an agent multiple-employer public employee retirement system, and the Police Pension Plan (collectively called the pension plans) which is a single-employer pension plan. The benefits, benefit levels, employee contributions, and employer contributions for all plans are governed by Illinois Compiled Statutes (ILCS) and can only be amended by the Illinois General Assembly. The Police Pension Plan does not issue a separate report. However, IMRF does issue a publicly available report that includes financial statements and supplementary information for the plan as a whole, but not for individual employers. That report can be obtained from IMRF, 2211 York Road, Suite 500, Oak Brook, Illinois 60523 and [www.imrf.org](http://www.imrf.org).

The table below is a summary for all pension plans as of and for the year ended April 30, 2021:

	IMRF	Police Pension	Total
Net pension liability (asset)	\$ (788,842)	\$ 21,348,679	\$ 20,559,837
Deferred outflows of resources	345,147	3,683,260	4,028,407
Deferred inflows of resources	3,188,459	3,498,306	6,686,765
Pension expense	(389,686)	2,156,687	1,767,001

a. Plan Descriptions

Illinois Municipal Retirement Fund

*Plan Administration*

All employees hired in positions that meet or exceed the prescribed annual hourly standard must be enrolled in IMRF as participating members.

The plan is accounted for on the economic resources measurement focus and the accrual basis of accounting. Employer and employee contributions are recognized when earned in the year that the contributions are required, benefits and refunds are recognized as an expense, and liability when due and payable.

**7. DEFINED BENEFIT PENSION PLANS (Continued)**

a. Plan Descriptions (Continued)

Illinois Municipal Retirement Fund (Continued)

*Plan Membership*

At December 31, 2020, IMRF membership consisted of:

Inactive employees or their beneficiaries currently receiving benefits	96
Inactive employees entitled to but not yet receiving benefits	80
Active employees	<u>67</u>
 TOTAL	 <u><u>243</u></u>

*Benefits Provided*

All employees (other than those covered by the Police Pension Plan) hired in positions that meet or exceed the prescribed annual hourly standard must be enrolled in IMRF as participating members. IMRF provides two tiers of pension benefits. Employees hired prior to January 1, 2011, are eligible for Tier 1 benefits. For Tier 1 employees, pension benefits vest after eight years of service. Participating members who retire at age 55 (reduced benefits) or after age 60 (full benefits) with eight years of credited service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1 2/3% of their final rate of earnings, for each year of credited service up to 15 years, and 2% for each year thereafter. Employees hired on or after January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating members who retire at age 62 (reduced benefits) or after age 67 (full benefits) with ten years of credited service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1 2/3% of their final rate of earnings, for each year of credited service up to 15 years, and 2% for each year thereafter.

IMRF also provides death and disability benefits. These benefit provisions are established by state statute.

*Contributions*

Participating members are required to contribute 4.50% of their annual covered salary to IMRF. The City is required to contribute the remaining amounts necessary to fund IMRF as specified by statute. The employer contribution rates for the fiscal year ended April 30, 2021 was 12.04% of covered payroll.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

---

**7. DEFINED BENEFIT PENSION PLANS (Continued)**

a. Plan Descriptions (Continued)

Illinois Municipal Retirement Fund (Continued)

*Actuarial Assumptions*

The City's net pension liability was measured as of December 31, 2020 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation performed as of the same date using the following actuarial methods and assumptions.

Actuarial valuation date	December 31, 2020
Actuarial cost method	Entry-age normal
Assumptions	
Inflation	2.25%
Salary increases	2.85% to 13.75%
Interest rate	7.25%
Cost of living adjustments	3.00%
Asset valuation method	Fair value

For non-disabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Retiree, Male (adjusted 106%) and Female (adjusted 105%) tables, and future mortality improvements projected using scale MP-2020. For disabled retirees, the Pub-2010, Amount-Weighted, below-median income, General, Disabled Retiree, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020. For active members, the Pub-2010, Amount-Weighted, below-median income, General, Employee, Male and Female (both unadjusted) tables, and future mortality improvements projected using scale MP-2020.

*Discount Rate*

The discount rate used to measure the total pension liability was 7.25%. The projection of cash flows used to determine the discount rate assumed that member contributions will be made at the current contribution rate and that the City's contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the fiduciary net position was projected to be available to make all projected future benefit payments of current plan members.

*Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources*

For the year ended April 30, 2021, the City recognized pension expense of \$(389,686). At April 30, 2021, the City reported deferred outflows of resources and deferred inflows of resources related to IMRF from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Difference between expected and actual experience	\$ 55,161	\$ 379,356
Changes in assumption	118,672	203,314
Net difference between projected and actual earnings on pension plan investments	-	2,605,789
Employer contributions after the measurement date	<u>171,314</u>	<u>-</u>
<b>TOTAL</b>	<b><u>\$ 345,147</u></b>	<b><u>\$ 3,188,459</u></b>

\$171,314 reported as deferred outflows of resources related to pensions resulting from the City contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending April 30, 2022. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to IMRF will be recognized in pension expense for the City as follows:

<u>Year Ending April 30,</u>	
2022	\$ (1,024,533)
2023	(517,247)
2024	(1,054,203)
2025	<u>(418,643)</u>
<b>TOTAL</b>	<b><u>\$ (3,014,626)</u></b>

*Discount Rate Sensitivity*

The following is a sensitivity analysis of the net pension liability (asset) to changes in the discount rate. The table below presents the net pension liability (asset) of the City calculated using the discount rate of 7.25% as well as what the City's net pension liability (asset) would be if it were calculated using a discount rate that is 1 percentage point lower (6.25%) or 1 percentage point higher (8.25%) than the current rate:

	1% Decrease (6.25%)	Current Discount Rate (7.25%)	1% Increase (8.25%)
Net pension liability (asset)	\$ 3,451,712	\$ (788,842)	\$ (4,092,318)

Police Pension Plan

*Plan Administration*

Police sworn personnel are covered by the Police Pension Plan. Although this is a single-employer pension plan, the defined benefits and employee and employer contribution levels are governed by Illinois Compiled Statutes (40 ILCS 5/3-1) and may be amended only by the Illinois legislature. The City accounts for the Police Pension Plan as a pension trust fund. The plan is governed by a five-member Board of Trustees. Two members of the Board of Trustees are appointed by the City's Mayor, one member is elected by pension beneficiaries, and two members are elected by active police employees.

The plan is accounted for on the economic resources measurement focus and the accrual basis of accounting. Employer and employee contributions are recognized when earned in the year that the contributions are required, benefits and refunds are recognized as an expense and liability when due and payable.

Administrative costs are financed through contributions and investment income.

**7. DEFINED BENEFIT PENSION PLANS (Continued)**

a. Plan Descriptions (Continued)

Police Pension Plan (Continued)

*Plan Membership*

At April 30, 2021, the Police Pension Plan membership consisted of:

Inactive plan members or beneficiaries currently receiving benefits	29
Inactive plan members entitled to but not receiving benefits	3
Active plan members	32
 TOTAL	64

*Benefits Provided*

The Police Pension Plan provides retirement benefits through two tiers of benefits as well as death and disability benefits, which are recognized when due and payable in accordance with ILCS. Benefits and refunds of the Police Pension Plan are recognized when due and payable in accordance with the terms of the plan.

Tier 1 employees (those hired prior to January 1, 2011) attaining the age of 50 or older with 20 or more years of creditable service are entitled to receive an annual retirement benefit equal to 1/2 of the salary attached to the rank held on the last day of service, or for one year prior to the last day, whichever is greater. The annual benefit shall be increased by 2.50% of such salary for each additional year of service over 20 years up to 30 years to a maximum of 75% of such salary. Employees with at least eight years but less than 20 years of credited service may retire at or after age 60 and receive a reduced benefit. The monthly benefit of a police officer who retired with 20 or more years of service after January 1, 1977 shall be increased annually, following the first anniversary date of retirement and be paid upon reaching the age of at least 55 years, by 3% of the original pension and 3% compounded annually thereafter.

Tier 2 employees (those hired on or after January 1, 2011) attaining the age of 55 or older with ten or more years of creditable service are entitled to receive an annual retirement benefit equal to the greater of the average monthly salary obtaining by dividing the total salary during the 48 consecutive months of service within the last of 60 months in which the total salary was the highest by the number of months in that period; or the average monthly salary obtained by dividing the total salary of the police officer during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service

**7. DEFINED BENEFIT PENSION PLANS (Continued)**

a. Plan Descriptions (Continued)

Police Pension Plan (Continued)

*Benefits Provided (Continued)*

in that period. Police officers' salary for pension purposes is capped at \$106,800, plus the lesser of ½ of the annual change in the Consumer Price Index or 3% compounded. The annual benefit shall be increased by 2.50% of such salary for each additional year of service over 20 years up to 30 years to a maximum of 75% of such salary. Employees with at least ten years may retire at or after age 50 and receive a reduced benefit (i.e., ½% for each month under 55). The monthly benefit of a Tier 2 police officer shall be increased annually at age 60 on the January 1<sup>st</sup> after the police officer retires, or the first anniversary of the pension starting date, whichever is later. Noncompounding increases occur annually, each January thereafter. The increase is the lesser of 3% or ½ of the change in the Consumer Price Index for the proceeding calendar year.

*Contributions*

Employees are required by ILCS to contribute 9.91% of their base salary to the Police Pension Plan. If an employee leaves covered employment with less than 20 years of service, accumulated employee contributions may be refunded without accumulated interest. The City is required to contribute the remaining amounts necessary to finance the Police Pension Plan as actuarially determined by an enrolled actuary, including administrative costs. Effective January 1, 2011, the City has until the year 2040 to fund 90% of the past service cost for the Police Pension Plan. However, the City has chosen a policy to fund 100% of the past service cost by 2040. For the year ended April 30, 2021, the City's contribution was 38.74% of covered payroll.

*Investment Policy*

ILCS limits the Police Pension Fund's (the Fund) investments to those allowable by ILCS and requires the Fund's Board of Trustees to adopt an investment policy which can be amended by a majority vote of the Board of Trustees. These include deposits/investments in insured commercial banks, savings and loan institutions, interest-bearing obligations of the U.S. Treasury and U.S. agencies, interest-bearing bonds of the State of Illinois or any county, township, or municipal corporation of the State of Illinois, corporate bonds, direct obligations of the State of Israel, money market mutual funds whose investments consist of obligations of the U.S. Treasury or U.S. agencies, separate accounts managed by life insurance companies, mutual funds, common and preferred stock, and The Illinois Funds (created by the Illinois State Legislature under the control of the State Comptroller that maintains a \$1 per share value which is equal to the participants fair value).

**7. DEFINED BENEFIT PENSION PLANS (Continued)**

a. Plan Descriptions (Continued)

Police Pension Plan (Continued)

*Investment Policy* (Continued)

There were no changes to the investment policy during the year.

It is the policy of the Fund to invest its funds in a manner which will provide the highest investment return with the maximum security while meeting the cash flow demands of the Fund and conforming to all state and local statutes governing the investment of public funds, using the “prudent person” standard for managing the overall portfolio. The primary objectives of the policy are, in order of priority, safety of principal, rate of return, public trust, and liquidity.

The Fund’s investment policy, in accordance with ILCS, establishes the following target allocation across asset classes (net of inflation estimate of 1.90%):

Asset Class	Target	Long-Term Expected Real Rate of Return
U.S. Large Cap Equity	27.00%	7.80%
U.S. Mid Cap Equity	3.00%	8.20%
U.S. Small Cap Equity	3.00%	7.60%
Real Estate	3.00%	5.90%
Non-U.S. Developed Equity	16.00%	6.80%
Emerging Markets	8.00%	8.40%
Fixed Income	37.00%	3.20%
Cash	3.00%	2.60%

The long-term expected rate of return on the Fund’s investments was determined using an asset allocation study by the Global Investment Committee of Morgan Stanley and was published in March 2020. The best estimate ranges of expected nominal rates of return (net of inflation of 1.90%) were developed for each major assets class as of December 31, 2020. These ranges were combined to produce the long-term expected rate of return by weighting the expected future nominal rates of return by the target asset allocation percentage. Best estimates or geometric real rates of return excluding inflation for each major asset class included in the Fund’s target asset allocation as of April 30, 2021 are listed in the table above.

ILCS limits the Fund’s investments in equities, mutual funds, and variable annuities to 65%. Securities in any one company should not exceed 5% of the total fund.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

---

**7. DEFINED BENEFIT PENSION PLANS (Continued)**

a. Plan Descriptions (Continued)

Police Pension Plan (Continued)

*Investment Rate of Return*

For the year ended April 30, 2021, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 28.99%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

*Deposits with Financial Institutions*

Custodial credit risk for deposits with financial institutions is the risk that in the event of bank failure, the Fund's deposits may not be returned to it. The Fund's investment policy does not require pledging of collateral for all bank balances in excess of federal depository insurance, since flow-through FDIC insurance is available for the Fund's deposits with financial institutions.

The Fund has the following recurring fair value measurements as of April 30, 2021: The mutual funds are valued using quoted prices in active markets for identical assets (Level 1 inputs). The U.S. Treasury obligations, U.S. agency securities, corporate bonds, and municipal bonds are valued using quoted matrix pricing models based on various market and industry inputs (Level 2 inputs).

*Interest Rate Risk*

The following table presents the investments and maturities of the Fund's debt securities as of April 30, 2021:

Investment Type	Fair Value	Investment Maturities (in Years)			
		Less than 1	1-5	6-10	Greater than 10
U.S. Treasury obligations	\$ 3,668,711	\$ 99,959	\$ 3,155,177	\$ 413,575	\$ -
U.S. agency securities	2,760,983	318,972	43,171	301,568	2,097,272
Corporate bonds	3,396,990	484,818	1,909,003	973,557	29,612
Municipal bonds	61,003	-	-	30,788	30,215
<b>TOTAL</b>	<b>\$ 9,887,687</b>	<b>\$ 903,749</b>	<b>\$ 5,107,351</b>	<b>\$ 1,719,488</b>	<b>\$ 2,157,099</b>

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment.

**7. DEFINED BENEFIT PENSION PLANS (Continued)**

a. Plan Descriptions (Continued)

Police Pension Plan (Continued)

*Interest Rate Risk* (Continued)

In accordance with its investment policy, the Fund limits its exposure to interest rate risk by structuring the portfolio to have an average maturity/modified duration of approximately five years. This average is adjusted upward when interest rates are rising and downward when they are falling in order to provide liquidity for short and long-term cash flow needs while providing a reasonable rate of return based on the current market.

*Credit Risk*

In accordance with its investment policy, the Fund limits its exposure to credit risk, the risk that the issuer of a debt security will not pay its par value upon maturity, by investing primarily in U.S. Treasury obligations, U.S. agency obligations, and requiring that municipal and corporate bonds must be rated as investment grade by one of the two largest rating services at the time of purchase. The U.S. Treasury obligations and U.S. agency securities are rated AAA. Corporate bonds are rated ranging from AA1 to BAA3. Municipal bonds are rated AA2.

*Custodial Credit Risk*

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to the investment, the Fund will not be able to recover the value of its investments that are in possession of an outside party. The Fund is exposed to custodial credit risk as the broker also serves as the custodian. However, the custodian has issued an excess SIPC policy to the Fund to mitigate the exposure to custodial credit risk.

*Concentration of Credit Risk*

Concentration of credit risk is the risk that the Fund has a high percentage of its investments invested in one type of investment. The Fund's investment policy limits the amount of the portfolio that can be invested in any one investment category.

Diversification by Instrument	Percent of Portfolio	
	Minimum	Maximum
Equities and mutual funds	20%	65%
Fixed income	33%	78%
Cash	2%	20%

**7. DEFINED BENEFIT PENSION PLANS (Continued)**

a. Plan Descriptions (Continued)

Police Pension Plan (Continued)

*Actuarial Assumptions*

The total pension liability above was determined by an actuarial valuation using the following actuarial methods and assumptions.

Actuarial valuation date	April 30, 2021
Actuarial cost method	Entry-age normal
Assumptions	
Inflation	2.25%
Salary increases	3.75% to 8.72%
Interest rate	6.75%
Asset valuation method	Fair value

Active, Disabled, and Spouse mortality rates used in the April 30, 2021 valuation were based on the Pub-2010 Adjusted for Plan Status, Demographics, and Illinois Public Pension Data.

*Discount Rate*

The discount rate used to measure the total pension liability was 6.75%. The projection of cash flows used to determine the discount rate assumed that member contributions will be made at the current contribution rate and that the City contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate.

Based on those assumptions, the Fund's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members.

2026	448,119
Thereafter	<u>258,229</u>
<b>TOTAL</b>	<b><u>\$ 184,954</u></b>

**8. OTHER POSTEMPLOYMENT BENEFITS**

a. Plan Description

In addition to the pension benefits described in Note 7, the City provides postemployment health care benefits (OPEB) to certain retirees under its Healthcare Benefits Program, a single-employer plan. The benefits, benefit levels, employee contributions, and employer contributions are governed by the City and can be amended by the City under its personnel manual and union contracts. To be eligible, employees must be enrolled in the City's healthcare plan at time of retirement, and receive a pension from either IMRF or the Fund. The City provides an explicit premium subsidy to certain retirees who meet eligibility conditions, and healthcare access to other retired members provided the member pays 100% of the blended premium. Police officers who become disabled in the line of duty during an emergency receive continuation of healthcare benefits at no cost to the member. Upon a retiree reaching age 65 years of age, Medicare becomes the primary insurer and the retiree is no longer eligible to participate in the plan, but can purchase a Medicare supplement plan from the City's insurance provider.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

---

**8. OTHER POSTEMPLOYMENT BENEFITS (Continued)**

b. Benefits Provided

All healthcare benefits are provided through the City’s health plan. The benefit levels are similar to those afforded to active employees. Benefits include general in-patient and out-patient medical services, vision care, dental care, and prescriptions. Upon a retired participant reaching the age of 65, Medicare becomes the primary insurer and the City’s plan becomes secondary. A separate, audited GAAP basis report is not issued for the plan.

c. Membership

At April 30, 2020 (most recent data available), membership consisted of:

Inactive employees or beneficiaries currently receiving benefit payments	18
Inactive employees entitled to but not yet receiving benefit payments	-
Active employees	<u>105</u>
<b>TOTAL</b>	<u><b>123</b></u>

d. Total OPEB Liability

The City’s total OPEB liability of \$7,232,916 was measured as of April 30, 2021 and was determined by an actuarial valuation as of May 1, 2020.

e. Actuarial Assumptions and Other Inputs

The total OPEB liability at April 30, 2021, as determined by an actuarial valuation as of May 1, 2020, was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified. The total OPEB liability was rolled forward by the actuary using updating procedures to April 30, 2021, including updating the discount rate at April 30, 2021, as noted below.

Actuarial cost method	Entry-age normal
Actuarial value of assets	N/A
Salary Increases	3.00%
Discount rate	2.27%
Healthcare cost trend rates	2.10% to 10.60% Initial 5.00% Ultimate

**8. OTHER POSTEMPLOYMENT BENEFITS (Continued)**

e. Actuarial Assumptions and Other Inputs (Continued)

The discount rate was based on The Bond Buyer 20-Bond GO Index, which is based on an average of certain general obligation municipal bonds maturing in 20 years and having an average rating equivalent of Moody's Aa2 and Standard & Poor's AA.

Active IMRF mortality rates follow the RP-2014 table with blue collar adjustment and MP-2016 improvement, weighted per IMRF experience study dated November 8, 2017. For police, active mortality follows the sex distinct raw rates as developed in the PubS-2010(A) Study improved to 2017 using MP-2019 Improvement Rates. These rates are then improved generationally using MP-2019 Improvement Rates. Retiree mortality follows the L&A Assumption Study for Police 2020. These rates are experience weighted with the sex distinct raw rates as developed in the PubS-2010(A) Study Improved to 2017 using MP-2019 Improvement Rates. These rates are then improved generationally using MP-2019 Improvement Rates. Disabled mortality follows the sex distinct raw rates as developed in the PubS-2010 Study for Disabled Participants improved to 2017 using MP-2019 Improvement Rates. These rates are then improved generationally using MP-2019 Improvement Rates. Spouse Mortality follows the sex distinct raw rates as developed in the PubS-2010(A) Study for Contingent Survivors. For all rates not provided there (ages 45 and younger) the PubG-2010 Study for General Employees was used. Mortality Improvement uses MP-2019 Improvement Rates applied on a fully generational basis.

f. Changes in the Total OPEB Liability

	<u>Total OPEB Liability</u>
BALANCES AT MAY 1, 2020	<u>\$ 6,600,454</u>
Changes for the period	
Service cost	192,722
Interest	167,046
Differences between expected and actual experience	-
Changes in assumptions	423,131
Benefit payments	<u>(150,437)</u>
Net changes	<u>632,462</u>
BALANCES AT APRIL 30, 2021	<u>\$ 7,232,916</u>

**9. COMMITMENTS AND CONTINGENCIES**

DuPage Water Commission

The City has a contract for the purchase of Lake Michigan water from the DuPage Water Commission (the Commission). The Commission’s obligation to deliver lake water is limited to certain specified maximum amounts as defined by the terms of the agreement. The City is obligated to pay a share of operation and maintenance costs on a monthly basis computed based on current price and consumption.

Litigation

The City is a defendant in various lawsuits. The outcome of these lawsuits is not presently determinable in the opinion of the City’s attorneys.

Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures that may be disallowed by the grantor cannot be determined at this time although the City expects such amounts, if any, to be immaterial.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

---

**10. INDIVIDUAL FUND DISCLOSURES**

Transfers between major funds and nonmajor funds are as follows:

Fund	Transfers In	Transfers Out
General	\$ 150,000	\$ 676,670
Capital Projects	175,000	-
TIF District	-	793,610
Water/Sewer Operations	793,610	300,000
Nonmajor Enterprise (Commuter Parking)	-	175,000
Nonmajor Governmental		
Road and Bridge	-	100,000
Tourism	100,000	250,000
Land Acquisition	476,670	-
Capital Equipment Replacement	600,000	-
<b>TOTAL ALL FUNDS</b>	<b>\$ 2,295,280</b>	<b>\$ 2,295,280</b>

The purposes of significant interfund transfers are as follows:

- Transfer from the TIF District Fund to the Water/Sewer Operations Fund of \$793,610 to cover construction costs of property located within the TIF District.
- Transfer from Tourism Fund to General Fund of \$150,000 to cover the costs to administer the tourism programs incurred by the General Fund.
- Transfer from the General Fund to Capital Equipment Replacement Fund of \$200,000 to cover the cost of vehicle and equipment purchases for governmental funds.
- Transfer from Water/Sewer Operations Fund to Capital Equipment Replacement Fund of \$300,000 to cover the cost of vehicle and equipment purchases for enterprise funds.
- Transfer from the General Fund to the Land Acquisition Fund of \$476,670 to cover the cost of the purchase of property.

**CITY OF WOOD DALE, ILLINOIS**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

---

**10. INDIVIDUAL FUND DISCLOSURES (Continued)**

Individual fund advances are as follows:

Advance From	Advance To	Amount
General	Commuter Parking	\$ 239,379
General	Water/Sewer Operations	4,197,471
Capital Equipment Replacement	Commuter Parking	300,000
Capital Equipment Replacement	Water/Sewer Operations	<u>803,626</u>
<b>TOTAL</b>		<b><u>\$ 5,540,476</u></b>

The purposes of the advances from/to other funds are as follows:

- \$4,197,471 due to the General Fund from the Water/Sewer Operations Fund to cover certain operating costs.
- \$539,379 advance to the Commuter Parking Fund from the General Fund and Capital Equipment Replacement Fund to cover costs associated with reconstruction of the parking lot. Repayments are scheduled in annual amounts of \$30,000. In addition, \$191,793 of the advance is to cover cash deficits.
- \$803,626 due to the Capital Equipment Replacement Fund from the Water/Sewer Operations Fund to cover certain operating costs.

**Deficit Fund Balances/Net Position of Individual Funds**

The following funds had deficit fund balances/net position as of April 30, 2021:

Fund	Deficit Balance
Tourism Fund	\$ 16,908

**11. ECONOMIC INCENTIVES**

The City rebates or abates certain taxes to recruit, retain, or improve local business facilities or their supporting public infrastructure under certain circumstances. The terms of these arrangements are specified within written agreements with the businesses concerned.

**11. ECONOMIC INCENTIVES (Continued)**

In November 2009, the City entered into a sales tax reimbursement agreement with a developer to construct a retail gasoline/convenience store within the City. Under the agreement, the City has agreed to remit to the developer 50% of sales tax collected from the retail store during each calendar year in excess of \$15,000. The first \$15,000 is to be retained exclusively by the City. The agreement is in effect for a period of 20 years or until the cumulative amount of \$1,250,000 has been rebated to the developer, whichever occurs first. The total rebates incurred and paid during the year ended April 30, 2021 was \$44,326 and is recorded as an expenditure in the General Fund.

In January 2017, the City entered into a sales tax reimbursement agreement with a retailer to expand their business within the City. Under the agreement, the City has agreed to remit to the retailer 0.25% of all taxable revenue generated at the property if the growth of the local sales tax receipts is 5% or greater than the prior sales tax year. If the growth of the local sales tax receipts is less than 5% from the prior sales tax year, the City will remit to the retailer 0.125% of all taxable revenue generated at the property. The agreement is in effect for a period of five years from the commencement date. The total rebates incurred and paid during the year ended April 30, 2021 was \$49,319 and is recorded as an expenditure in the General Fund.

**12. SUBSEQUENT EVENTS**

On October 7, 2021, the City issued \$14,440,000 General Obligation Bonds (Alternative Revenue Source), Series 2021 to finance the construction of a new public works facility and land acquisition within the Thorndale Corridor Project Area (TIF District). The bonds mature annually on December 30, beginning December 30, 2022 through December 30, 2038, with maturities from \$570,000 to \$1,070,000. Interest is due semi-annually on June 30 and December 30 at 3%.

SCHEDULE OF EMPLOYER CONTRIBUTIONS  
ILLINOIS MUNICIPAL RETIREMENT FUND

Last Six Fiscal Years

<b>FISCAL YEAR ENDED APRIL 30,</b>	<b>2016</b>	<b>2017</b>	<b>2018</b>	<b>2019</b>	<b>2020</b>	<b>2021</b>
Actuarially determined contribution	\$ 552,503	\$ 521,086	\$ 524,474	\$ 501,726	\$ 497,246	\$ 572,985
Contributions in relation to the actuarially determined contribution	552,503	521,086	524,474	501,726	497,246	572,985
<b>CONTRIBUTION DEFICIENCY (Excess)</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>
Covered payroll	\$ 4,532,650	\$ 4,376,856	\$ 4,530,428	\$ 4,479,472	\$ 4,645,978	\$ 4,758,860
Contributions as a percentage of covered payroll	12.19%	11.91%	11.58%	11.20%	10.70%	12.04%

Notes to Required Supplementary Information

The information presented was determined as part of the actuarial valuations as of January 1 of the prior calendar year. Additional information as of the latest actuarial valuation presented is as follows: the actuarial cost method was entry-age normal; the amortization method was level percent of pay, closed, and the amortization period was 23 years; the asset valuation method was five-year smoothed market; and the significant actuarial assumptions were an investment rate of return at 7.25% annually, projected salary increases assumption of 3.35% to 14.25% compounded annually, and postretirement benefit increases of 3.00% compounded annually.

Ultimately, this schedule should present information for the last ten years. However, until ten years of information can be compiled, information will be presented for as many years as is available.

Notes to Required Supplementary Information

2016 - Actuarial assumptions were updated to reflect revised expectations with respect to mortality rates, mortality improvement rates, retirement rates, disability rates, and termination rates.

2017 - Actuarial assumptions were updated to reflect revised expectations with respect to mortality rates.

2020 - Actuarial assumptions were updated to reflect changes to pay increases, inflation rate, mortality rates, retirement rates, termination rates, disability rates, and marital assumptions. In addition, the changes of benefit terms were due to changes in plan benefits required under PA-101-0610 (SB 1300).

Ultimately, this schedule should present information for the last ten years. However, until ten years of information can be compiled, information will be presented for as many years as is available.

(See independent auditor's report.)

Annual money-weighted rate of return, net of investment expense	5.98%	(1.54%)	9.99%	7.98%	4.72%	(1.33%)	28.99%

Ultimately, this schedule should present information for the last ten years. However, until ten years of information can be compiled, information will be presented for as many years as is available.

(See independent auditor's report.)

**CITY OF WOOD DALE, ILLINOIS**

**NOTES TO REQUIRED SUPPLEMENTARY INFORMATION**

April 30, 2021

---

**1. BUDGETS**

The City operates under the Illinois Municipal Budget Law.

All departments of the City submit budget requests to the City Manager so that a budget may be prepared. The budget is prepared by fund, function, and activity, and includes information on the past year, current year estimates, and requested appropriations for the next fiscal year.

The proposed budget is presented to the City Council for review. The City Council holds public hearings and may add to, subtract from, or change appropriations, but may not change the form of the budget. Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of moneys are recorded in order to reserve that portion of the applicable appropriation, is employed during the year. Encumbrances are not reported in the financial statements.

The City Manager is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the City Council. Budgetary authority lapses at the fiscal year end.

Annual appropriations are adopted for the General Fund, Special Revenue Funds, Debt Service Funds, Capital Projects Funds, Enterprise Funds, and the Pension Trust Fund. Budgets for these funds are adopted on a basis consistent with GAAP, except that in the Enterprise Funds, capital outlays and principal payments are budgeted as expenses, while GASB 68 adjustments are not budgeted.

Expenditures may not legally exceed appropriations at the fund level.

**2. INDIVIDUAL FUND DISCLOSURES**

The following funds had expenditures in excess of budget:

<u>Fund</u>	<u>Excess</u>
Road and Bridge	\$ 754
Land Acquisition	481,670
Water/Sewer Operations	695,225
Sanitation	21,170
Police Pension	9,538

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Honorable Mayor  
Members of the City Council  
City of Wood Dale, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Wood Dale, Illinois (the City) as of and for the year ended April 30, 2021, and the related notes to financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated January 28, 2022.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

*Sikich LLP*

Naperville, Illinois  
January 28, 2022

## STATISTICAL SECTION

This part of the City of Wood Dale, Illinois' comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City's overall financial health.

<u>Contents</u>	<u>Page</u>
Financial Trends These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time.	107-116
Revenue Capacity These schedules contain information to help the reader assess the City's most significant local revenue sources, property taxes, and sales taxes.	117-124
Debt Capacity These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.	125-129
Demographic and Economic Information These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place.	130-132
Operating Information These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs.	133-137

*Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant year.*

(1) Includes property taxes collected in the current year that may be attributable to prior years. These collections, if any, are immaterial as 99% or greater of the current year's tax levy has historically been collected during the respective fiscal year. Additionally, information to associate any noncurrent tax collections to a specific tax levy year is not readily available.

(2) 2020 Tax Levy to be collected in Fiscal Year 2022.

Property in the City is reassessed each year. Property is assessed at 33% of actual value.

N/A - information not available
